My friend Frances Munro
www.francesmunro.com provided the wisdom to channel the direction and accompanying words for these paintings. Each card carries its own message in the Guidebook which accompanies the deck.
Our card deck Includes 44 cards and a 56-page illustrated booklet.

We are excited to be now working on a second deck for this wonderful company which will be for all ages.

**Here is a wonderful new review of this deck from
The Magickal-Musings
of Nefer Khepri, PhD:**

REVIEW

“The energy of this deck is very calm, loving, and healing. The imagery is colorful without being overly bright, and the representations of the angels, fairies, and animals are truly lovely works of art.”
