

**HOLIDAY PRODUCT INTERVIEW #4:**  
**ART PRINTS,**  
**PERSONALIZED GREETING CARDS**  
**and a new TUBE COMPANY**

by Judy Mastrangelo

**Art.com**

I am very happy that Art.com now has a large selection of my paintings which they sell as “Art On Demand” Fine Art Prints. You can see my available art on their site from this link: <http://www.art.com/gallery/id--a183625/judy-mastrangelo-posters.htm?ui=ED7074CE27E145CF984445D1599B66BF>

These are very high quality “Giclée” type prints. A Giclée print reproduction offers beautiful color accuracy on a high-quality paper (235 gsm) that is a great option for framing with its smooth, acid free surface. Giclée (French for “to spray”) is a printing process where millions of ink droplets are sprayed onto the paper’s surface creating natural color transitions. This method is truly amazing, because it really resembles an original painting.

Art.com is one of the largest, most reputable online distributor of art prints in the world. They now carry almost 300 pieces of my art work which you can order as Giclées, in various sizes, with or without borders, and with or without frames.

**These fine art reproductions can be shipped  
worldwide.**

Included in my art collection from Art.com are several pieces which I’m sure you will enjoy for the Holidays:
